

DIRECT SELLING

Ray Quinney & Nebeker represents a wide array of clients in the direct selling or network marketing industry. Our lawyers help direct selling companies with all of their legal needs, including drafting policies and procedures and distributor agreements, working on all other agreements and documents necessary for a direct selling business, litigation, government relations, intellectual property and all other necessary matters. Ray Quinney & Nebeker lawyers represent direct selling companies of all types and sizes, from startups to the most established names in the direct selling industry.
